

NOTICE EMPLOYMENT OPPORTUNITY
Experienced Carpenter – Tourism & Recreation
Immediate Start Date

The Town of Fogo Island is seeking a dedicated and qualified individual to join its team. The successful applicant will provide professional support to the Town's Tourism and Recreation Programs, as well as Public Works. Primary responsibilities include working with the Maintenance Team to do general repairs and build infrastructure on Town site. The successful applicant is expected to work in adverse weather and be flexible in performing any other duties as required.

Responsibilities/Duties

- Provide safe and effective use of Town equipment in a timely, safe, and efficient manner.
- Provide support for other workers on site to complete necessary tasks.
- Complete and assist with carpentry projects as required, perform a variety of related maintenance and repairs, including interior and exterior painting.
- Flexible scheduling: on call after hours and at weekends may be required.
- Sites clean up and material unloading and handling when required.
- Help with setting up and preparations for Town events as required.
- Demonstrate safe work habits, report any unsafe workplace issues and equipment.
- Perform other duties as assigned.

Required Knowledge, Skills, and Abilities

- Possession of a valid Class 5 license is required with a clean driving record.
- Ability to work in a team environment with "can do" attitude.
- Ability to perform physical labor, operate tools, and lift at least 80lbs is required.
- Must have proven carpentry experience and provide references.
- Must have extensive experience using hand tools, power tools, as well as knowledge of construction materials, methods and practices.
- Knowledge of OH & S Regulations is an asset and commitment to safety regulations is required.
- Good written and oral communication skills, including the ability to deal with the public in a respectful manner.
- Ability to work effectively in both individual and group settings as required.
- Able to work in adverse weather conditions.
